Rochelle Park Recreation Program
2012

Welcome Families and Campers,

Thank you for joining us for the Rochelle Park Summer Day Camp! Camp begins Tuesday, July 2nd 2012 at 9:00 am and ends at 1:00 pm. Please let us know the first day of camp if anyone other than you is picking up your child at any time. Please make arrangements to have your child picked up on time. **Also, once children come to camp they cannot leave on their own unless a parent or guardian comes to sign them out of camp for the day. We will not allow campers to come to camp late without being signed in by a parent. Any camper coming to camp past 10:00 am MUST be signed in by a parent or guardian. Also any parent or guardian that comes to camp must come to the office first. For all the children's safety we will locate your child for you. Camp will be closed on July 4th, 2012 for the holiday. Also, keep in mind if your child is not signed up for our two off site camp trips (Bowler City July 12, 2012 and Space Odyssey July 26th) their will be no camp open those days.**

We have been working hard to enhance last year's program. We have supplied you with a calendar for July and August and look forward to a fun filled summer! Some planned activities are sports tournaments, crafts, three times a week swimming at the Rochelle Park Pool, special theme days, and more…We have also planned a couple of trips. We will have one trip to Bowler City, one trip to Space Odyssey, and Mad Science will be coming to camp. Also *Pizza Day* is every Friday…please fill all forms out and return them by first day of camp. **All Trip forms must be handed in no later than what is marked on our calendar.** There is too much confusion dealing with vendors and last minute number adjustments. We appreciate your cooperation on helping us with this. Lastly, the ice cream man stops by on Wednesdays!

We are looking forward to having a safe and enjoyable summer. We are all excited to meet you and have lots of fun!!!

Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt another. Bullying happens when a person or group of people want to have power over another and use their power to get their way, at the expense of someone else. Bullying can also happen through cyberspace: through the use of e-mails, text messaging, instant messaging, and other less direct methods. This type of bullying can also lead to persons being hurt during or between the camp seasons and be especially hurtful when persons are targeted with meanness and exclusion.

At Rochelle Park Recreation Day Camp, bullying is inexcusable, and we have a firm policy against all types of bullying. Our Camp philosophy is based on our mission statement which ensures that every camper has the opportunity to build friendships, have fun and have a sense of inclusion. We work together as a team to ensure that campers gain self confidence, make new friends, and go home with great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with their staff and their campers so both staff and campers will be comfortable alerting us to any problems during their camp experience and between camp seasons. Every person has the right to expect to have the best possible experience at camp, and by working together as a team to identify and manage bullying, we can help ensure that all campers and staff have a great summer at Rochelle Park Recreation Day Camp.
