

Free Car Seat Safety Program in Bergen County

With motor vehicle crashes the number one cause of deaths of children over the age of six months in the United States, the New Jersey State Police School & Traffic Safety Unit is sponsoring a Car Seat Safety Program with their Regional Car Safety Seat Checkpoint locations. In Bergen County, a checkpoint is held on the 3rd Friday of the month from 10:00 am to 1:00 pm at The Shops at Riverside, 390 Hackensack Avenue, Hackensack, NJ. There is no appointment needed!

For more information, contact the New Jersey State Police School & Traffic Safety Unit at 609-882-2000, x2287 or via email at SchoolandTrafficSafetyUnit@gwnjsp.org

The proper use of car safety seats is one of the simplest and most effective methods available for protecting the lives of children in the event of a motor vehicle crash. Only the correct use of car safety seats will offer the protection that children need.

Attached is a promotional flyer. Please network the availability of the monthly Bergen County checkpoint to your personal and professional contacts, particularly individuals whose children are of the age to use car safety seats.

Special thanks to Lismary Espinal, BS, CHES, Health Educator, Englewood Department of Health, and Marla Klein, Coordinator, Community Health Improvement Partnership of Bergen County, for providing this important information.
