Organized 1913

151 West Passaic St., Rochelle Park, New Jersey 07662

Dear Resident,

The Rochelle Park Volunteer Fire Department would like to remind residents and business owners alike to make fire hydrants accessible.

Due to the unusually cold weather we have been experiencing this winter, snow has continually been piling up and many of the fire hydrants are covered with snow. The Fire Department would like to request your help to remove the snow from around hydrants so they are visible and accessible. If you have a hydrant in your front yard at the curb, please clean a 3' clearing around it.

The Rochelle Park Volunteer Fire Department appreciates your help in keeping our community safe.

Thank you,

Chief
