Dear Rochelle Park Residents,

I wanted to inform you that last night our office was notified of a confirmed case of Coronavirus (COVID-19) in Rochelle Park. In consultation with Rochelle Park OEM and the Township Administration we are closely monitoring this fluid situation. In addition, the Bergen County Health Department office will be conducting an investigation as to contact that this individual may have made.

To reduce the risk of exposure and to prevent infections, we ask that you continue to practice social distancing (6 feet apart from others), avoid social gatherings of more than 4 people, wash your hands with soap and water frequently, cover your mouth and nose with a tissue when you cough or sneeze, and should you feel sick please stay home. For more information please visit the CDC website: <https://www.cdc.gov/>

We continue to update the Township website on a regular basis: <https://rochelleparknj.gov/> as well as our Facebook page: <https://www.facebook.com/rochelleparknj/>

If you suspect that you or someone you know may be infected please contact your physician or Bergen New Bridge Cares at: 201-204-0712.

Sincerely,

Nicholas LiBassi

Mayor
